

# CHALLENGER 300

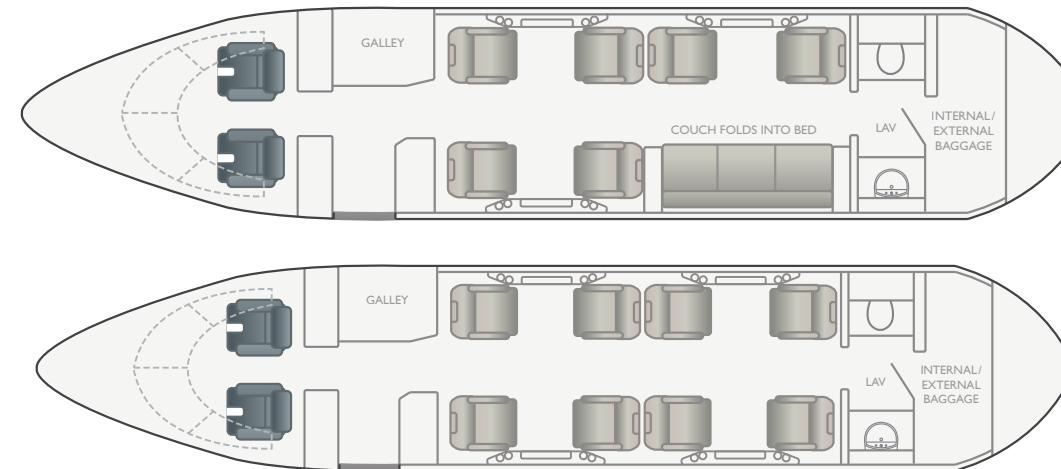

## CHALLENGER 300

The Bombardier Challenger 300 is one of the most versatile super midsize business jets. It offers true transcontinental range combined with a wide, stand up cabin that seats up to ten passengers. Strong climb performance means more time spent in smooth air above both weather and traffic. Equipped with the latest in-flight entertainment system and satellite phone, the Challenger 300 is an exceptional charter aircraft.
