

CHALLENGER 604

CHALLENGER 604

The 604 offers a combination of performance, versatility and comfort along with a transcontinental range to get you where you want in comfort, class and speed. With the widest body in corporate aviation, the 604 features noise reduction technology, making it one of the quietest corporate aircraft on the market. The full size galley allows for complete meal service. This aircraft has a stand-up lavatory with walk-in access to heated baggage compartment. Flight attendants are available to enhance the cabin service.
