

FALCON 900EX

FALCON 900EX

The Falcon 900EX is the quintessential wide body business jet. The Falcon 900EX has a stand-up cabin with two lavatories and a dressing room located at the rear of the cabin. There are 24 large windows which flood the cabin with natural light and provide a panoramic view. A flight attendant is on board to provide cabin safety and to assist with meal service and comfort.
